Summary

I am a web developer with 7 years experience. My main specialisation is in Front End Development (i.e. HTML/CSS/JavaScript with numerous frameworks, API's, and libraries). Additionally I have good experience on the back end with Django/Python, and with React.js and Node. I'm looking for short term contracts (from 2 weeks to 3 months), and I'm happy to relocate anywhere to suit your needs.

Freelance Experience

Wolf and Badger

Oct 2016 - Jan 2018 (part time)

Front end development with HTML, LESS, and JavaScript with jQuery. Back end with Django/Python. Particular attention to retina/high dpr images. Integration with Cloundinary image management and attraqt merchandising tool.

Quru: Bonhams Auction House Website

April 2014 - Jan 2017 (multiple short term contracts)

Front end development with HTML, CSS, JavaScript with MooTools, and Angular.js. Interfacing with Django/Python on the back end. Design work to port their desktop site to mobile. Coding responsive HTML emails.

The Disney Store

April 2016 (placed via Aquent)

Updating their website daily with new assets and HTML. Integrating with their custom CMS and helping to migrate their UK and French sites onto their new platform.

Skills

| | |
|------------------|-------|
| HTML | ★★★★★ |
| CSS | ★★★★★ |
| JavaScript | ★★★★★ |
| Django | ★★★★★ |
| React.js | ★★★ |
| Ability to learn | ★★★★★ |

Education

UNIVERSITY OF
CAMBRIDGE

2.1 BA Hons Cantab
in Natural Sciences
Cambridge University, 2009
